The three keys, and the numbers 1-9, are automatically mapped to the lowest note. All 12 fourth notes below, and the numbers 10-12, are the higher notes, and are allocated to the rest of the octave.

Start Voice Split Close starting from arrangements with your keyboard in an open. Press two keys, and the instrument split into lower and higher ranges - changes at the top and bottom and continues at the bottom. Start Voice Split automatically allocates each note of a chord to the corresponding bass instrument, just as an arranger would do.
